

# SOLAR WIND 12

Twelfth International Solar Wind Conference

21-26 June 2009

SAINT-MALO, France

## Scientific sessions and Invited speakers

- I. Coronal Heating and the Acceleration of the Fast Solar Wind.  
*Stan Owocki (opening talk), Ruth Esser, Joseph Lemaire, Eugene Parker*
- II. Physical processes in the Solar Wind (Waves, Turbulence, Kinetics ...).  
*Sébastien Galtier, Peter Gary, Jack Gosling, Justin Kasper, Alex Schekochihin*
- III. Slow Wind Streams, CMEs & 3D Structures of the Corona and Heliosphere.  
*Pascal Démoulin, Angela Ciaravella, Pete Riley, Alexis Rouillard, YiMing Wang*
- IV. Solar Wind through its Interaction Processes with Solar System Objects and Dust.  
*Anil Bhardwaj, Xochitl Blanco-Cano, Ingrid Mann*
- V. Energetic Particles and Frontiers of the Heliosphere  
*Rob Decker, Joe Giacalone, Dave McComas, Eric Quémerais, Ed Stone*
- VI. Open session

## Scientific Organizing Committee (SOC)

- |                         |                                |                                   |
|-------------------------|--------------------------------|-----------------------------------|
| E. Antonucci (Italy)    | R. Jokipii (USA)               | F. Pantellini (France)            |
| S.D. Bale (USA)         | J. Kasper (USA)                | M. Velli (Italy/USA)              |
| J.-L. Bougeret (France) | J. Luhman (USA)                | A. Vourlidas (USA)                |
| S. Cranmer (USA)        | M. Maksimovic (chair) (France) | R. Wimmer-Schweingruber (Germany) |
| M. Fujimoto (Japan)     | E. Marsch (Germany)            | G. Zank (USA)                     |
| K. Issautier (France)   | N. Meyer-Vernet (France)       |                                   |
| V. Izmodenov (Russia)   | M. Moncuquet (France)          |                                   |

## Local Organizing Committee (LOC)

- C. Briand, S. Cnudde, K. Issautier, B. Jeanmichel, N. Letourneur, M. Maksimovic, N. Meyer-Vernet, M. Moncuquet, F. Pantellini, R. Romagnan, A. Sevellec
